

INTRODUCTION

Flow Spectrum is a brand new 4-star all inclusive hotel located in Sahl Hasheesh, a beautiful destination in the Red Sea Governorate of Egypt. This stunning hotel offers a second-line beach location with private beach access.

Flow Spectrum ensures guest comfort with its 232 rooms, each thoughtfully equipped with amenities for a pleasant stay. The rooms are divided into family and deluxe rooms, to suit various guest preferences and requirements.

When it comes to dining options, the hotel offers a diverse array of culinary experiences to satisfy every taste. The hotel features a main restaurant serving a delectable spread of both international and local cuisine. Guests can explore a variety of flavors and dishes at dedicated dining venues, alongside bars, a cozy coffee shop, and a joyful ice cream shop for further refreshment options.

Unwinding can be experienced at its finest by our 4 pools including a heated pool during winter, in addition to kids pool for fun filled moments.

Flow Spectrum ensures a memorable stay for guests of all ages by offering a range of entertainment and activities. From a dedicated kids' club to engaging entertainment programs led by the animation team, guests can enjoy a variety of recreational options throughout their stay. Whether it's football, interactive games, or other fun-filled activities.

To enhance the overall experience, the hotel also boasts a spa and gym facility. Guests can indulge in rejuvenating spa treatments and therapies. The gym is well-equipped, providing fitness enthusiasts with the necessary equipment.
